

# St Kilda Life Saving Club Venue

## WELCOME

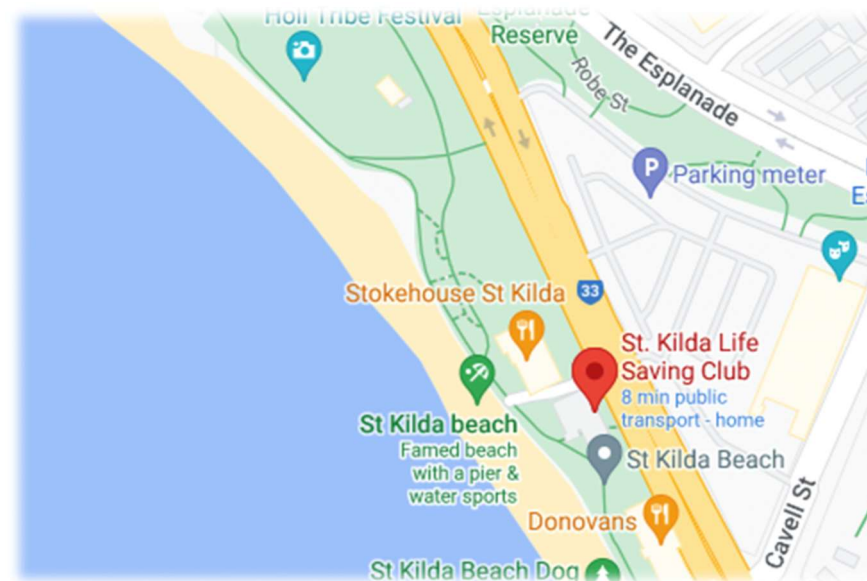

Thank you for considering St Kilda Life Saving Club for your next function. No matter the event, the views of St Kilda foreshore and Port Phillip Bay will make your special day one to remember. As a working life saving club, our memorabilia provides a unique opportunity for guests to enjoy the history of our club.

Located at 34 Jacka Boulevard, St Kilda VIC 3182, the venue can host up to 130 seated or 180 standing guests, making it perfect for a wedding reception, cocktail party or work function. While the club does not offer catering or staff, we have a full commercial kitchen which is included in the hire fee should you wish to engage a caterer. Seating and cutlery are available for hire along with a limited number of tables.

Some of our valued customers that have hosted functions at the St Kilda Life Saving venue are included in this brochure.

The St Kilda Life Saving Club values safety. When organising an event please refer to <https://www.police.vic.gov.au/party-safe>

The St Kilda Life Saving Club does not currently have a liquor licence, with our customers typically having their caterer gain a temporary licence for their event. For private functions where alcohol is supplied, a temporary licence may be required, taking up to six weeks to be issued.
